Q.1 What are your views on the proposal to introduce real-time reporting for B2B and B2G transactions?

Yes great idea

Q.2 What matters should be considered in planning for a transition to a new VAT Reporting system?

As an agent, I don't think much will change for me other than informing and training of the new system. Some of my clients will need to make changes and I will be assisting or advising them with the changes as appropriate

Q.3 If your business is currently subject to a VAT reporting programme in another EU or non-EU country, can you please share best practice, recommendations or lessons learnt?

N/A

Q.4 Have you any observations, concerns or recommendations on a move to mandatory electronic invoicing for B2B & B2G domestic VAT transactions?

I have no concerns at all as all of my clients are using Sage software

Q.5 Revenue is particularly interested in hearing views from businesses that are already engaged in eInvoicing Public Bodies within Ireland or engaged in B2B eInvoicing throughout Europe and beyond. How did you prepare and what challenges prevailed in your preparations for eInvoicing?

N/A

Q.6 What suggestions would you offer in Ireland's arrangements for a mandatory B2B and B2G eInvoicing programme?

N/A

Q.7 Revenue are cognisant that small businesses may have different perspectives and requirements to large businesses, so what information prompts would you find useful for businesses in completing the VAT return?

I have complete confidence in Sage software to cater for my clients needs outside of the real-time reporting requirements that will need to be provided to the Revenue
