Q.1 What are your views on the proposal to introduce real-time reporting for B2B and B2G transactions?

most welcomed

Q.2 What matters should be considered in planning for a transition to a new VAT Reporting system?

an easy to follow or connect system that which is also suitable for startup small businesses

Q.3 If your business is currently subject to a VAT reporting programme in another EU or non-EU country, can you please share best practice, recommendations or lessons learnt?

my business is not, however it will be brilliant to have a system which is workable for non EU countries as well

Q.4 Have you any observations, concerns or recommendations on a move to mandatory electronic invoicing for B2B & B2G domestic VAT transactions?

for as long as it is easy to transact that will be ok

Q.5 Revenue is particularly interested in hearing views from businesses that are already engaged in eInvoicing Public Bodies within Ireland or engaged in B2B eInvoicing throughout Europe and beyond. How did you prepare and what challenges prevailed in your preparations for eInvoicing?

not prepared

Q.6 What suggestions would you offer in Ireland’s arrangements for a mandatory B2B and B2G eInvoicing programme?

please whatever you do there should not be charges involved

Q.7 Revenue are cognisant that small businesses may have different perspectives and requirements to large businesses, so what information prompts would you find useful for businesses in completing the VAT return?

it is easy as it is now, don't complicate it
