Response Number 990

Q.1 What are your views on the proposal to introduce real-time reporting for B2B and B2G transactions?

Generally fine ,but concerned that being a sole trader whose business is mainly about selling labour with irregular invoicing it may get complicated

Q.2 What matters should be considered in planning for a transition to a new VAT Reporting system?

as above

Q.3 If your business is currently subject to a VAT reporting programme in another EU or non-EU country, can you please share best practice, recommendations or lessons learnt?

I buy very little from outside of ireland so it isn't an issue

Q.4 Have you any observations, concerns or recommendations on a move to mandatory electronic invoicing for B2B & B2G domestic VAT transactions?

no

Q.5 Revenue is particularly interested in hearing views from businesses that are already engaged in eInvoicing Public Bodies within Ireland or engaged in B2B eInvoicing throughout Europe and beyond. How did you prepare and what challenges prevailed in your preparations for eInvoicing?

N/A

Q.6 What suggestions would you offer in Ireland’s arrangements for a mandatory B2B and B2G eInvoicing programme?

not sure

Q.7 Revenue are cognisant that small businesses may have different perspectives and requirements to large businesses, so what information prompts would you find useful for businesses in completing the VAT return?

I have a small number of customers, so would be concerned that I wouldn't be literate enough in IT to comply
