Subject: RE: [External] Education

Many thanks.
We do operate VAT (Reverse VAT) on any of the activities that fall within the scope (as listed below).
However, my email/comment was to say that I don't believe we have much to add to a consultation process as I am very much led by whatever Revenue instruct us to do.
Hope that is in order,

Regards,

[redacted]

Subject: [External] Education

As an education facility our VAT is limited to Reverse VAT with RCT rules.
