Q.1 What are your views on the proposal to introduce real-time reporting for B2B and B2G transactions?

All part of a joined up society should be good to have the information immediately

Q.2 What matters should be considered in planning for a transition to a new VAT Reporting system?

The small operator, i still write out my invoices and my accountant does my vat and tax. it should be seamless something that just works in the background.

Q.3 If your business is currently subject to a VAT reporting programme in another EU or non-EU country, can you please share best practice, recommendations or lessons learnt?

N/A

Q.4 Have you any observations, concerns or recommendations on a move to mandatory electronic invoicing for B2B & B2G domestic VAT transactions?

It has to be simple with little input required.

Q.5 Revenue is particularly interested in hearing views from businesses that are already engaged in eInvoicing Public Bodies within Ireland or engaged in B2B eInvoicing throughout Europe and beyond. How did you prepare and what challenges prevailed in your preparations for eInvoicing?

N/A

Q.6 What suggestions would you offer in Ireland's arrangements for a mandatory B2B and B2G eInvoicing programme?

would it be like a c/c on an email

Q.7 Revenue are cognisant that small businesses may have different perspectives and requirements to large businesses, so what information prompts would you find useful for businesses in completing the VAT return?

I couldn't do a vat return so it needs to simple. Simple as the receipt being sent to a vat account for totalling .
