Response Number 858

Q.1 What are your views on the proposal to introduce real-time reporting for B2B and B2G transactions?

I'd prefer to keep the system as it now is

Q.2 What matters should be considered in planning for a transition to a new VAT Reporting system?

Like I say I am not in favour of changing the current reporting and payment method

Q.3 If your business is currently subject to a VAT reporting programme in another EU or non-EU country, can you please share best practice, recommendations or lessons learnt?

It's not

Q.4 Have you any observations, concerns or recommendations on a move to mandatory electronic invoicing for B2B & B2G domestic VAT transactions?

I'm guessing that this means a different method of my billing my clients and if so I am not in favour

Q.5 Revenue is particularly interested in hearing views from businesses that are already engaged in eInvoicing Public Bodies within Ireland or engaged in B2B eInvoicing throughout Europe and beyond. How did you prepare and what challenges prevailed in your preparations for eInvoicing?

I'm not - I'm a small letting agency

Q.6 What suggestions would you offer in Ireland’s arrangements for a mandatory B2B and B2G eInvoicing programme?

That we not proceed with it

Q.7 Revenue are cognisant that small businesses may have different perspectives and requirements to large businesses, so what information prompts would you find useful for businesses in completing the VAT return?

I am very happy with it as is
