Response Number 277

Q.1 What are your views on the proposal to introduce real-time reporting for B2B and B2G transactions?

That will help to streamline work and make it faster and more transparent

Q.2 What matters should be considered in planning for a transition to a new VAT Reporting system?

More time is needed for employers to access whether it wont affect their operations

Q.3 If your business is currently subject to a VAT reporting programme in another EU or non-EU country, can you please share best practice, recommendations or lessons learnt?

Not applicable

Q.4 Have you any observations, concerns or recommendations on a move to mandatory electronic invoicing for B2B & B2G domestic VAT transactions?

I think it must be adapted to the nature of each business. Cash sales may be hard to record

Q.5 Revenue is particularly interested in hearing views from businesses that are already engaged in eInvoicing Public Bodies within Ireland or engaged in B2B eInvoicing throughout Europe and beyond. How did you prepare and what challenges prevailed in your preparations for eInvoicing?

Not applicable to our business

Q.6 What suggestions would you offer in Ireland's arrangements for a mandatory B2B and B2G eInvoicing programme?

It should be done, but after evaluating all pros and cons

Q.7 Revenue are cognisant that small businesses may have different perspectives and requirements to large businesses, so what information prompts would you find useful for businesses in completing the VAT return?

I think small business must be given a different arrangement
