Response Number 901

Q.1 What are your views on the proposal to introduce real-time reporting for B2B and B2G transactions?

Don't believe that we, as an educational institution, should have anything to do with collecting VAT

Q.2 What matters should be considered in planning for a transition to a new VAT Reporting system?

Revenue to collect its own VAT rather than adding this administrative burden onto schools

Q.3 If your business is currently subject to a VAT reporting programme in another EU or non-EU country, can you please share best practice, recommendations or lessons learnt?

Nothing to say

Q.4 Have you any observations, concerns or recommendations on a move to mandatory electronic invoicing for B2B & B2G domestic VAT transactions?

Don't know

Q.5 Revenue is particularly interested in hearing views from businesses that are already engaged in eInvoicing Public Bodies within Ireland or engaged in B2B eInvoicing throughout Europe and beyond. How did you prepare and what challenges prevailed in your preparations for eInvoicing?

Resent the administrative burden in collecting VAT

Q.6 What suggestions would you offer in Ireland's arrangements for a mandatory B2B and B2G eInvoicing programme?

Revenue to make its own arrangements to collect VAT

Q.7 Revenue are cognisant that small businesses may have different perspectives and requirements to large businesses, so what information prompts would you find useful for businesses in completing the VAT return?

Schools not to have any VAT obligations
