Q.1 What are your views on the proposal to introduce real-time reporting for B2B and B2G transactions?

Sounds good

Q.2 What matters should be considered in planning for a transition to a new VAT Reporting system?

Simple IT system for businesses
Immediate withdrawal of funds - often have to wait for payments to be taken from my account - quick banking app link from my account to revenue account

Q.3 If your business is currently subject to a VAT reporting programme in another EU or non-EU country, can you please share best practice, recommendations or lessons learnt?

N/A

Q.4 Have you any observations, concerns or recommendations on a move to mandatory electronic invoicing for B2B & B2G domestic VAT transactions?

I'm electronic anyway

Q.5 Revenue is particularly interested in hearing views from businesses that are already engaged in eInvoicing Public Bodies within Ireland or engaged in B2B eInvoicing throughout Europe and beyond. How did you prepare and what challenges prevailed in your preparations for eInvoicing?

VAT is weird between countries - Britain sometimes they charge, sometimes not

Q.6 What suggestions would you offer in Ireland's arrangements for a mandatory B2B and B2G eInvoicing programme?

Supportive einvoicing programmes - free?

Q.7 Revenue are cognisant that small businesses may have different perspectives and requirements to large businesses, so what information prompts would you find useful for businesses in completing the VAT return?

A list of what we can claim back in VAT
A get paid - pay VAT immediately button in my banking to revenue app
