Q.1 What are your views on the proposal to introduce real-time reporting for B2B and B2G transactions?

If it's efficient and reduces (not increases) admin work, that is cool.

Q.2 What matters should be considered in planning for a transition to a new VAT Reporting system?

Less work for all people, especially the business owners (I can't afford to pay anyone to do admin for me)

Q.3 If your business is currently subject to a VAT reporting programme in another EU or non-EU country, can you please share best practice, recommendations or lessons learnt?

Small countries tend to be more flexible

Q.4 Have you any observations, concerns or recommendations on a move to mandatory electronic invoicing for B2B & B2G domestic VAT transactions?

No, sounds like the way to go

Q.5 Revenue is particularly interested in hearing views from businesses that are already engaged in eInvoicing Public Bodies within Ireland or engaged in B2B eInvoicing throughout Europe and beyond. How did you prepare and what challenges prevailed in your preparations for eInvoicing?

N/A

Q.6 What suggestions would you offer in Ireland’s arrangements for a mandatory B2B and B2G eInvoicing programme?

N/A

Q.7 Revenue are cognisant that small businesses may have different perspectives and requirements to large businesses, so what information prompts would you find useful for businesses in completing the VAT return?

Make it simpler to navigate and make it easier to reclaim overseas VAT.
