Response Number 503

Q.1 What are your views on the proposal to introduce real-time reporting for B2B and B2G transactions?

IT will increase my personal costs so it is not something I would welcome.

Q.2 What matters should be considered in planning for a transition to a new VAT Reporting system?

Size of the individual business and their current accounts system. Is it IT or Manual

Q.3 If your business is currently subject to a VAT reporting programme in another EU or non-EU country, can you please share best practice, recommendations or lessons learnt?

Not Applicable

Q.4 Have you any observations, concerns or recommendations on a move to mandatory electronic invoicing for B2B & B2G domestic VAT transactions?

The cost to a small sole trader like myself will be a big issue.

Q.5 Revenue is particularly interested in hearing views from businesses that are already engaged in eInvoicing Public Bodies within Ireland or engaged in B2B eInvoicing throughout Europe and beyond. How did you prepare and what challenges prevailed in your preparations for eInvoicing?

N/A

Q.6 What suggestions would you offer in Ireland's arrangements for a mandatory B2B and B2G eInvoicing programme?

There would need to be some form of help to transition for sole traders to move to eBusiness

Q.7 Revenue are cognisant that small businesses may have different perspectives and requirements to large businesses, so what information prompts would you find useful for businesses in completing the VAT return?

I don't need prompts
