Q.1 What are your views on the proposal to introduce real-time reporting for B2B and B2G transactions?

Opposed to this

Q.2 What matters should be considered in planning for a transition to a new VAT Reporting system?

Small business owners don't have time for day to day VAT inputs

Q.3 If your business is currently subject to a VAT reporting programme in another EU or non-EU country, can you please share best practice, recommendations or lessons learnt?

N/A

Q.4 Have you any observations, concerns or recommendations on a move to mandatory electronic invoicing for B2B & B2G domestic VAT transactions?

Concerns of extra time used daily or weekly on this change

Q.5 Revenue is particularly interested in hearing views from businesses that are already engaged in eInvoicing Public Bodies within Ireland or engaged in B2B eInvoicing throughout Europe and beyond. How did you prepare and what challenges prevailed in your preparations for eInvoicing?

N/A

Q.6 What suggestions would you offer in Ireland’s arrangements for a mandatory B2B and B2G eInvoicing programme?

Have it as an option possibly - but not not mandatory

Q.7 Revenue are cognisant that small businesses may have different perspectives and requirements to large businesses, so what information prompts would you find useful for businesses in completing the VAT return?

We do our own accounting on top of normal busy work so don't have time for extra work
