Q.1 What are your views on the proposal to introduce real-time reporting for B2B and B2G transactions?

Realtime ? what does that mean ? Sounds like more work.

Q.2 What matters should be considered in planning for a transition to a new VAT Reporting system?

Take it easy, you'll get the money jusat lighten up on the admin you require me to do.

Q.3 If your business is currently subject to a VAT reporting programme in another EU or non-EU country, can you please share best practice, recommendations or lessons learnt?

This question is required.

Q.4 Have you any observations, concerns or recommendations on a move to mandatory electronic invoicing for B2B & B2G domestic VAT transactions?

QR codes everywhere

Q.5 Revenue is particularly interested in hearing views from businesses that are already engaged in eInvoicing Public Bodies within Ireland or engaged in B2B eInvoicing throughout Europe and beyond. How did you prepare and what challenges prevailed in your preparations for eInvoicing?

This question is required.

Q.6 What suggestions would you offer in Ireland's arrangements for a mandatory B2B and B2G eInvoicing programme?

This question is required.

Q.7 Revenue are cognisant that small businesses may have different perspectives and requirements to large businesses, so what information prompts would you find useful for businesses in completing the VAT return?

cognisant ? Use simpler language with clearer instructions please. erms and language may make sense in the meeting room but without context it can seem to be complex and arbitrary when trying to complete and comply with obligations.
