Q.1 What are your views on the proposal to introduce real-time reporting for B2B and B2G transactions?

Love it! Please implement this - as a small ltd company I'm paying my account €57 a month for VAT, if this could be digitised real-time with revenue it would be super helpful.

Q.2 What matters should be considered in planning for a transition to a new VAT Reporting system?

Direct management by SMEs into the revenue system.

Q.3 If your business is currently subject to a VAT reporting programme in another EU or non-EU country, can you please share best practice, recommendations or lessons learnt?

N/A

Q.4 Have you any observations, concerns or recommendations on a move to mandatory electronic invoicing for B2B & B2G domestic VAT transactions?

Only that it is positive to save time and hopefully costs.

Q.5 Revenue is particularly interested in hearing views from businesses that are already engaged in eInvoicing Public Bodies within Ireland or engaged in B2B eInvoicing throughout Europe and beyond. How did you prepare and what challenges prevailed in your preparations for eInvoicing?

N/A

Q.6 What suggestions would you offer in Ireland's arrangements for a mandatory B2B and B2G eInvoicing programme?

Please consider SMEs and reducing workload and cost of accountancy fees.

Q.7 Revenue are cognisant that small businesses may have different perspectives and requirements to large businesses, so what information prompts would you find useful for businesses in completing the VAT return?

Simple and clear instruction, including how VAT is processed with EU or US suppliers.
