Q.1 What are your views on the proposal to introduce real-time reporting for B2B and B2G transactions?

I am very favorable as it would save me a lot of time.

Q.2 What matters should be considered in planning for a transition to a new VAT Reporting system?

Easy implementation into existing accounting software, such as Quickbooks or Gimbla

Q.3 If your business is currently subject to a VAT reporting programme in another EU or non-EU country, can you please share best practice, recommendations or lessons learnt?

It is not

Q.4 Have you any observations, concerns or recommendations on a move to mandatory electronic invoicing for B2B & B2G domestic VAT transactions?

No

Q.5 Revenue is particularly interested in hearing views from businesses that are already engaged in eInvoicing Public Bodies within Ireland or engaged in B2B eInvoicing throughout Europe and beyond. How did you prepare and what challenges prevailed in your preparations for eInvoicing?

The hardest was finding a software that was easy to use and cheap. I found Gimbla which is free and fits most of my needs.

Q.6 What suggestions would you offer in Ireland's arrangements for a mandatory B2B and B2G eInvoicing programme?

Provide easy and open implementation

Q.7 Revenue are cognisant that small businesses may have different perspectives and requirements to large businesses, so what information prompts would you find useful for businesses in completing the VAT return?

What information needs to be transmitted
