Q.1 What are your views on the proposal to introduce real-time reporting for B2B and B2G transactions?

I do not know anything about it so will need to look into it. I have only viewed this questionnaire as I attempt to return VAT for Nov-Dec period

Q.2 What matters should be considered in planning for a transition to a new VAT Reporting system?

The overhead and impact on very small businesses

Q.3 If your business is currently subject to a VAT reporting programme in another EU or non-EU country, can you please share best practice, recommendations or lessons learnt?

N/A

Q.4 Have you any observations, concerns or recommendations on a move to mandatory electronic invoicing for B2B & B2G domestic VAT transactions?

No

Q.5 Revenue is particularly interested in hearing views from businesses that are already engaged in eInvoicing Public Bodies within Ireland or engaged in B2B eInvoicing throughout Europe and beyond. How did you prepare and what challenges prevailed in your preparations for eInvoicing?

N/A

Q.6 What suggestions would you offer in Ireland's arrangements for a mandatory B2B and B2G eInvoicing programme?

I have no experience in thsi area

Q.7 Revenue are cognisant that small businesses may have different perspectives and requirements to large businesses, so what information prompts would you find useful for businesses in completing the VAT return?

Detailed explanatory notes that are written in simple English and reflect the real world of small business rather than aimed at government department workers who are already very familiar with the system
