Q.1 What are your views on the proposal to introduce real-time reporting for B2B and B2G transactions?

I agree with it. I think it is a move in the right direction.

Q.2 What matters should be considered in planning for a transition to a new VAT Reporting system?

The ease with which people will be able to record their vat transactions.

Q.3 If your business is currently subject to a VAT reporting programme in another EU or non-EU country, can you please share best practice, recommendations or lessons learnt?

N/A

Q.4 Have you any observations, concerns or recommendations on a move to mandatory electronic invoicing for B2B & B2G domestic VAT transactions?

I would like the ability to record VAT transactions by paper and electronically too.

Q.5 Revenue is particularly interested in hearing views from businesses that are already engaged in eInvoicing Public Bodies within Ireland or engaged in B2B eInvoicing throughout Europe and beyond. How did you prepare and what challenges prevailed in your preparations for eInvoicing?

N/A

Q.6 What suggestions would you offer in Ireland's arrangements for a mandatory B2B and B2G eInvoicing programme?

Give a good lead-in time to the process.

Q.7 Revenue are cognisant that small businesses may have different perspectives and requirements to large businesses, so what information prompts would you find useful for businesses in completing the VAT return?

prompts by email and text message would be useful.
