Response Number 601

Q.1 What are your views on the proposal to introduce real-time reporting for B2B and B2G transactions?

If it makes a more seamless way of reporting then and less errors then its good all round

Q.2 What matters should be considered in planning for a transition to a new VAT Reporting system?

Good information to admin and accountancy staff

Q.3 If your business is currently subject to a VAT reporting programme in another EU or non-EU country, can you please share best practice, recommendations or lessons learnt?

Not reporting in another country

Q.4 Have you any observations, concerns or recommendations on a move to mandatory electronic invoicing for B2B & B2G domestic VAT transactions?

I think its not a good idea to move completlely to einvoicing

Q.5 Revenue is particularly interested in hearing views from businesses that are already engaged in eInvoicing Public Bodies within Ireland or engaged in B2B eInvoicing throughout Europe and beyond. How did you prepare and what challenges prevailed in your preparations for eInvoicing?

We do not currently use einvoicing

Q.6 What suggestions would you offer in Ireland’s arrangements for a mandatory B2B and B2G eInvoicing programme?

I wouldn't disregard paper invoicing - becoming too reliant on electronic means is not good

Q.7 Revenue are cognisant that small businesses may have different perspectives and requirements to large businesses, so what information prompts would you find useful for businesses in completing the VAT return?

Have good information available
