Q.1 What are your views on the proposal to introduce real-time reporting for B2B and B2G transactions?

It is very good to implement this process

Q.2 What matters should be considered in planning for a transition to a new VAT Reporting system?

Advise Revenue entities "how to" do and have some transition period for implementing new VAT reporting system

Q.3 If your business is currently subject to a VAT reporting programme in another EU or non-EU country, can you please share best practice, recommendations or lessons learnt?

No business subject to VAT reporting programme in another EU or non EU country

Q.4 Have you any observations, concerns or recommendations on a move to mandatory electronic invoicing for B2B & B2G domestic VAT transactions?

I don't have any additional concerns about it. I agree for implementation

Q.5 Revenue is particularly interested in hearing views from businesses that are already engaged in eInvoicing Public Bodies within Ireland or engaged in B2B eInvoicing throughout Europe and beyond. How did you prepare and what challenges prevailed in your preparations for eInvoicing?

I didn't prepare yet for it

Q.6 What suggestions would you offer in Ireland’s arrangements for a mandatory B2B and B2G eInvoicing programme?

No suggestions

Q.7 Revenue are cognisant that small businesses may have different perspectives and requirements to large businesses, so what information prompts would you find useful for businesses in completing the VAT return?

I think it will be very good, and it will be very straightforward to prepare and submit VAT returns, in my opinion
