Q.1 What are your views on the proposal to introduce real-time reporting for B2B and B2G transactions?

If it makes business easier I am in agreement.

Q.2 What matters should be considered in planning for a transition to a new VAT Reporting system?

Make the transition as easy and straight forward as possible so the ordinary person can understand.

Q.3 If your business is currently subject to a VAT reporting programme in another EU or non-EU country, can you please share best practice, recommendations or lessons learnt?

N/A

Q.4 Have you any observations, concerns or recommendations on a move to mandatory electronic invoicing for B2B & B2G domestic VAT transactions?

Our business have been using this method almost 100% for years. It work for us.

Q.5 Revenue is particularly interested in hearing views from businesses that are already engaged in eInvoicing Public Bodies within Ireland or engaged in B2B eInvoicing throughout Europe and beyond. How did you prepare and what challenges prevailed in your preparations for eInvoicing?

We set up Dropbox on our computer and worked from there.

Q.6 What suggestions would you offer in Ireland's arrangements for a mandatory B2B and B2G eInvoicing programme?

Keep it as simple as possible.

Q.7 Revenue are cognisant that small businesses may have different perspectives and requirements to large businesses, so what information prompts would you find useful for businesses in completing the VAT return?

I find as a small business the revenue email prompts very useful for returns.
