Q.1 What are your views on the proposal to introduce real-time reporting for B2B and B2G transactions?

Great for up to date compliance of Vat.

Q.2 What matters should be considered in planning for a transition to a new VAT Reporting system?

Important to consult Vat users for the smooth transition. Information drive online to learn how the system works.

Q.3 If your business is currently subject to a VAT reporting programme in another EU or non-EU country, can you please share best practice, recommendations or lessons learnt?

N/A

Q.4 Have you any observations, concerns or recommendations on a move to mandatory electronic invoicing for B2B & B2G domestic VAT transactions?

No

Q.5 Revenue is particularly interested in hearing views from businesses that are already engaged in eInvoicing Public Bodies within Ireland or engaged in B2B eInvoicing throughout Europe and beyond. How did you prepare and what challenges prevailed in your preparations for eInvoicing?

I am new so I can't help on this matter

Q.6 What suggestions would you offer in Ireland’s arrangements for a mandatory B2B and B2G eInvoicing programme?

Information drive to make Vat users learn quicker or website to teach service users.

Q.7 Revenue are cognisant that small businesses may have different perspectives and requirements to large businesses, so what information prompts would you find useful for businesses in completing the VAT return?

I am happy using the ROS at the moment but will welcome for changes.
