Response Number 396

Q.1 What are your views on the proposal to introduce real-time reporting for B2B and B2G transactions?

We do not the the staff

Q.2 What matters should be considered in planning for a transition to a new VAT Reporting system?

Too expensive. More staff needed and that costs too much in our business

Q.3 If your business is currently subject to a VAT reporting programme in another EU or non-EU country, can you please share best practice, recommendations or lessons learnt?

N/A

Q.4 Have you any observations, concerns or recommendations on a move to mandatory electronic invoicing for B2B & B2G domestic VAT transactions?

Too time consuming and no staff to do it

Q.5 Revenue is particularly interested in hearing views from businesses that are already engaged in eInvoicing Public Bodies within Ireland or engaged in B2B eInvoicing throughout Europe and beyond. How did you prepare and what challenges prevailed in your preparations for eInvoicing?

N/A

Q.6 What suggestions would you offer in Ireland's arrangements for a mandatory B2B and B2G eInvoicing programme?

Maybe for very large businesses with trained and available staff

Q.7 Revenue are cognisant that small businesses may have different perspectives and requirements to large businesses, so what information prompts would you find useful for businesses in completing the VAT return?

The current position of filing VAT Returns works very well with us
