Response Number 775

Q.1 What are your views on the proposal to introduce real-time reporting for B2B and B2G transactions?

I am not able to offer any views or guidance, I will fall in line with whatever you decide is best.
I am of the older generation, mid sixties, and am averse and nervous of change but will adapt to what is required.

Q.2 What matters should be considered in planning for a transition to a new VAT Reporting system?

As long as you know what you are doing and give plenty of notice/training I am sure it will work out ok

Q.3 If your business is currently subject to a VAT reporting programme in another EU or non-EU country, can you please share best practice, recommendations or lessons learnt?

N/A

Q.4 Have you any observations, concerns or recommendations on a move to mandatory electronic invoicing for B2B & B2G domestic VAT transactions?

Training and plenty of notice required

Q.5 Revenue is particularly interested in hearing views from businesses that are already engaged in eInvoicing Public Bodies within Ireland or engaged in B2B eInvoicing throughout Europe and beyond. How did you prepare and what challenges prevailed in your preparations for eInvoicing?

N/A

Q.6 What suggestions would you offer in Ireland's arrangements for a mandatory B2B and B2G eInvoicing programme?

Unable to offer any suggestions

Q.7 Revenue are cognisant that small businesses may have different perspectives and requirements to large businesses, so what information prompts would you find useful for businesses in completing the VAT return?

Try to keep it all simple and easy to understand
