Q.1 What are your views on the proposal to introduce real-time reporting for B2B and B2G transactions?

If it makes the filing of VAT easier, then I am all for it

Q.2 What matters should be considered in planning for a transition to a new VAT Reporting system?

Ease of use, simplicity

Q.3 If your business is currently subject to a VAT reporting programme in another EU or non-EU country, can you please share best practice, recommendations or lessons learnt?

N/A

Q.4 Have you any observations, concerns or recommendations on a move to mandatory electronic invoicing for B2B & B2G domestic VAT transactions?

I am moving to eInvoicing software from Jan 1st 2024, so hoping that the transition streamlines my accounting for my business

Q.5 Revenue is particularly interested in hearing views from businesses that are already engaged in eInvoicing Public Bodies within Ireland or engaged in B2B eInvoicing throughout Europe and beyond. How did you prepare and what challenges prevailed in your preparations for eInvoicing?

Haven't done so yet, but will be transitioning on Jan 1st 2023

Q.6 What suggestions would you offer in Ireland’s arrangements for a mandatory B2B and B2G eInvoicing programme?

Training, discounts/grants for purchasing of eInvoicing software

Q.7 Revenue are cognisant that small businesses may have different perspectives and requirements to large businesses, so what information prompts would you find useful for businesses in completing the VAT return?

making the process simple
