Q.1 What are your views on the proposal to introduce real-time reporting for B2B and B2G transactions?

I think it would be more time consuming that the present operation

Q.2 What matters should be considered in planning for a transition to a new VAT Reporting system?

The nature and size of the business.

Q.3 If your business is currently subject to a VAT reporting programme in another EU or non-EU country, can you please share best practice, recommendations or lessons learnt?

The present position works fine for us as we only have one or two suppliers and purchases are as and when required.

Q.4 Have you any observations, concerns or recommendations on a move to mandatory electronic invoicing for B2B & B2G domestic VAT transactions?

electronic invoicing may only incur extra costs to small businesses.

Q.5 Revenue is particularly interested in hearing views from businesses that are already engaged in eInvoicing Public Bodies within Ireland or engaged in B2B eInvoicing throughout Europe and beyond. How did you prepare and what challenges prevailed in your preparations for eInvoicing?

N/A

Q.6 What suggestions would you offer in Ireland's arrangements for a mandatory B2B and B2G eInvoicing programme?

Would prefer not to engage in eInvoicing.

Q.7 Revenue are cognisant that small businesses may have different perspectives and requirements to large businesses, so what information prompts would you find useful for businesses in completing the VAT return?

I am happy with the current arrangement.
