Q.1 What are your views on the proposal to introduce real-time reporting for B2B and B2G transactions?

It is a good idea but will require all our suppliers to be up to date with their einvoicing.

Q.2 What matters should be considered in planning for a transition to a new VAT Reporting system?

Software providers will have to have their systems fully updated.

Q.3 If your business is currently subject to a VAT reporting programme in another EU or non-EU country, can you please share best practice, recommendations or lessons learnt?

Not applicable

Q.4 Have you any observations, concerns or recommendations on a move to mandatory electronic invoicing for B2B & B2G domestic VAT transactions?

Staff will have to be trained to ensure sales and purchases are issued on a daily basis.

Q.5 Revenue is particularly interested in hearing views from businesses that are already engaged in eInvoicing Public Bodies within Ireland or engaged in B2B eInvoicing throughout Europe and beyond. How did you prepare and what challenges prevailed in your preparations for eInvoicing?

Not applicable

Q.6 What suggestions would you offer in Ireland's arrangements for a mandatory B2B and B2G eInvoicing programme?

Training of employees

Q.7 Revenue are cognisant that small businesses may have different perspectives and requirements to large businesses, so what information prompts would you find useful for businesses in completing the VAT return?

Similar to PAYE submission whereby the information will show us what our liability is each month may help.
