Response Number 947

Q.1 What are your views on the proposal to introduce real-time reporting for B2B and B2G transactions?

Will add overhead and costs with no benefit to my business

Q.2 What matters should be considered in planning for a transition to a new VAT Reporting system?

impact on small businesses

Q.3 If your business is currently subject to a VAT reporting programme in another EU or non-EU country, can you please share best practice, recommendations or lessons learnt?

N/A

Q.4 Have you any observations, concerns or recommendations on a move to mandatory electronic invoicing for B2B & B2G domestic VAT transactions?

As a small company, I don't have the accounts infrastructure in place to use e-invoicing. This would be an additional cost / overhead to implement

Q.5 Revenue is particularly interested in hearing views from businesses that are already engaged in eInvoicing Public Bodies within Ireland or engaged in B2B eInvoicing throughout Europe and beyond. How did you prepare and what challenges prevailed in your preparations for eInvoicing?

N/A

Q.6 What suggestions would you offer in Ireland's arrangements for a mandatory B2B and B2G eInvoicing programme?

Limit it to companies/businesses above a certain scale

Q.7 Revenue are cognisant that small businesses may have different perspectives and requirements to large businesses, so what information prompts would you find useful for businesses in completing the VAT return?

Just prompt on when due to file
