## New Excise Statistical Datasets

-----

We are expanding our Excise publications. The first set of new detailed statistical datasets was published on Revenue.ie in March 2024. Other commodity-specific datasets will issue in the coming months.

The first new dataset is **Sugar Sweetened Drinks Tax (SSDT)**, recording bi-monthly liabilities and annual receipts by tax band. The second is **Vehicle Registration Tax (VRT)**, recording new and used registrations per quarter, broken down by Revenue Vehicle Category, VRT tax band and engine type.

These datasets are available at the following links:

## Forthcoming Revenue Annual Report 2023 and Research Publications

-----

Revenue's Annual Report for 2023 is scheduled for publication on 25 April 2024 and will be accompanied by additional research & statistical publications covering Corporation Tax, Income Tax, VAT and VRT.

New analysis this year will include a statistical breakdown of Customs declarations and research on employer deaths using real-time payroll data.
