These statistics should be considered as provisional and may be revised. Updates will be provided regularly on the Revenue statistics webpage.

More detailed information and guidance regarding the HTB scheme is available on the Revenue website. Any queries of a statistical nature in relation to HTB should be directed to statistics@revenue.ie

Overview of the Incentive

The Help To Buy (HTB) incentive, announced in Budget 2017 (October 2016), is designed to assist first-time buyers with the deposit required to purchase or self-build a new house or apartment to live in as their home.

The incentive provides for a refund of Income Tax and DIRT paid over the previous four tax years, limited to a maximum of 5% of the purchase value up to a value of €400,000. The HTB refund is capped at €20,000.

This incentive is available for the period from 19 July 2016 to 31 December 2022.

A temporary enhancement to the existing HTB scheme for the remainder of 2020 was announced in the July 2020 Stimulus plan. The enhanced HTB relief provides that where applicants satisfy certain conditions, increased relief is available up to a maximum of €30,000, or 10% of the purchase value. This enhancement has since been extended until 31 December 2022.

Qualifying Properties

For a property to qualify under the scheme it must be purchased or built as the first-time buyer's home and, if purchased, it must be purchased from a qualifying contractor.

For a property to be eligible for HTB it cannot exceed a value of €600,000 in the period from 19 July to 31 December 2016 or €500,000 in the period from 1 January 2017 to 31 December 2022.

Purchase Value	Amount of Relief
Up to €400,000	Up to 5% of purchase price
Between €400,000 and €500,000, from 1 January 2017	Maximum relief will be €20,000
Over €500,000, from 1 January 2017	No relief
Between €400,000 and €600,000, between 19 July 2016 and 31 December 2016	Maximum relief will be €20,000
Over €600,000, between 19 July 2016 and 31 December 2016	No relief

The property must be occupied by the first-time buyer, or at least one of the first-time buyers in the case of multiple first-time buyers, within 2 years and for a minimum period of five years.

Qualifying Contractors

For a contractor to become part of the HTB process, they must first apply to, and be approved by, Revenue to become registered as a 'Qualifying Contractor'.

A full list of [all qualifying contractors](#) is available on the Revenue website.

To date, there are **1,132** registered qualifying contractors.

Applications and Claims

There are two stages to the HTB online process.

(1) Application Stage:

First-time buyers / self-builders apply online via Revenue's myAccount or ROS systems.

Revenue encourages prospective applicants to file any necessary tax returns, and resolve any outstanding issues, before making the HTB application. This is because the processing time for applications depends on the applicant to resolve any outstanding matters and complete the application.

Compliant taxpayers who complete their HTB application are provided with an Application Number and a summary of the maximum relief available to them under the incentive. A mortgage provider, broker, qualifying contractor or solicitor can use this summary to verify the relief available to the applicant, for the purposes of mortgage approval or drawdown, or signing a house purchase contract.

To date, Revenue has received **83,099** HTB applications (excluding cancelled applications).

(2) Claim Stage:

Applications will progress to the claim stage only if the applicant decides to purchase a property that is eligible for the scheme. Many applications may never progress to the claim stage because the applicant does not purchase a property or purchases a property not eligible for the scheme.

The decision on whether, or when, to progress to the claim stage rests with the applicant. First-time buyers can submit their claim once a contract is signed for the purchase of a property. In the case of self-builds, the claim can be submitted after the drawdown of the first tranche of the mortgage.

To make a claim, the claimant must confirm and provide documentary evidence of the details of the property, the purchase price, date of completion, mortgage and deposit paid. The claim can then be submitted online.

When a claim is submitted, the information provided must be verified by the qualifying contractor or the solicitor acting on behalf of the self-builder. Claims cannot be approved and paid until the qualifying contractor or solicitor has verified the claim. The time taken for this is outside Revenue's control.

For the reasons outlined above, many HTB applications are unlikely to progress to the claim stage and therefore the number of applications does not provide a reliable basis to estimate the likely cost of the scheme. To date, **33,843** HTB claims have been made, of which **33,035** are approved. The estimated total value of approved HTB claims to date is in the order of **€630.9 million** and the total value of approved and pending HTB claims to date is in the order of **€646.0 million**, of which **€20.2 million** represent retrospective claims (for the period 19 July to 31 December 2016).
