Issue Date:	17 June 2024

Introduction:

The C&E reports Tax and Duty Manual (see link hereunder) has been updated to include further functionality to the existing reports available through ROS.

Updates to reports:

1. From 1 March 2024, Excise Duty Entry (EDE) declarations are no longer reported on the C&E weekly transaction list and are instead available to download via the following reports in ROS;
 - Period (monthly) details – combined taxes report for Payers
 - Period (monthly) details – tax type report for Payers
 - Period (monthly) details combined taxes report for Importers

2. From 16 June 2024, TAIN agents (Tax Agents) where authorised to act on behalf of a Customer for C&E can access reports covered in section 5, 6 & 7 as per the manual.

3. Clarification in relation to invalidation/amendment of import declarations containing only postponed VAT (no duty) and how the importer reports are affected has been included in section 6.1.
