Chrome settings for Motortrans

Open the Chrome web browser.

Copy and paste the following link into browser:

chrome://flags/#third-party-storage-partitioning

Change the highlighted option "Experimental third-party storage partitioning" to "Disabled"

\leftrightarrow \rightarrow C \triangle	S Chrome chrome://flags/#third-party-storage-partitioning	Ê	☆	*	
	Q Search flags Reset all				
	Experimental third-party storage partitioning. Enables partitioning of third-party storage by top-level site. Note: this is under active development and may result in unexpected behavior. Please file bugs at https://bugs.chromium.org/p/chromium/issues/entry?labels=StoragePartitioning-trial-bugs.ecomponents=Blink%3EStorage. – Mac, Windows, Linux, ChromeOS, Android, Fuchsia, Lacros Default				

Scroll down to the bottom of the page and click on "Relaunch".

Your changes will take effect the next time you relaunch Chrome.	

When Chrome reopens, copy and paste the following link into the browser:

chrome://settings/cookies

Scroll down to "Customised behaviours" and click on "Add".

	Autonii anu passworus	other sites are called third-party cookies.						
•	Privacy and security	Default helevieur						
Ø	Performance	Sites automatically follow this setting when you visit them						
۲	Appearance	O Allow third-party cookies ~						
Q	Search engine							
	Default browser	Block third-party cookies in incognito mode						
ப	On start-up	Sites can use cookies to improve your browsing experience, for example to keep you signed in or to remember items in your shopping basket						
	Languages	While in Incognito, sites can't use your cookies to see your browsing activity across sites, even related sites. Your browsing activity isn't used for things like personalising ads. Features on some						
<u>+</u>	Downloads	sites may not work.						
Ť	Accessibility	O Block third-party cookies ~						
٩	System	Send a 'Do Not Track' request with your browsing traffic						
Ð	Reset settings	See all site data and permissions						
* ©	Extensions 🔀 About Chrome	Customised behaviours Sites listed below follow a custom setting instead of the default						
		Allowed to use third-party cookies Add						

Then add the following sites:

www.ros.ie

www.motortrans.ie

www.motorelv.ie

You "Customised behaviours" section should now look like this:

You should now be able to sign in/file on Motortrans on Chrome.
