## 1. Introduction

- 1.1 Tax Clearance is required for persons who derive an economic benefit from a licence or permit to conduct certain activities in the State, or for those in receipt of contract, grants and other payments from the State. All applications for Tax Clearance are processed electronically and applicants no longer receive a paper tax clearance form. The application is processed in real time and the result of the application is displayed on screen. An email confirming the result is sent to the applicant's Revenue Online Service (ROS) or myEnquiries Inbox. This will include a Tax Clearance Access Number which with the applicant's Tax Reference Number can be given to any third party entity that wishes to verify their tax clearance certificate.
- 1.2 The only exceptions to using eTC are:
- (i) tax clearance certificates in relation to the Standards in Public Office Act (SIPO) 2001, [Tax Clearance SIPO](#)
  - (ii) non-resident applicants who have no Tax Registration Number in this State, [Tax Clearance Non-Resident](#)
  - (iii) non e-enabled applicants.

## 2. Legislation

- 2.1 Section 95 of the Finance Act 2014 amended Section 1094 and Section 1095 of the Taxes Consolidation Act 1997 allowing all tax clearance functions to be performed electronically.
- 2.2 Section 95 of the Finance Act 2014 also allows the rescission of an eTC where the taxpayer becomes non-compliant with their obligations under Sections 1094 and 1095.

## 3. Scope

This document provides information for the public on tax clearance issues, including current regulations, relevant criteria and the use of the new eTC system. It also provides instructions and guidelines for Revenue staff with responsibility for the tax clearance function and will be of assistance to other staff dealing with tax clearance queries.

## 4. What is a tax clearance certificate?

- 4.1 A tax clearance certificate is confirmation from Revenue that a person's tax and customs affairs are in order at the date of issue of the certificate. However, in some instances, a certificate may be issued to a customer who has tax arrears covered by a phased payment arrangement that has been agreed with Revenue
- 4.2 **Connected persons:** As a tax clearance applicant both the applicant's affairs and those of connected persons to the applicant will be assessed as part of the tax clearance process. Potential connected persons which will also be assessed include: -
- Properties
  - Partners
  - Partnerships
  - Employer (Criminal Legal Aid Board applicants)
  - Directors/Shareholders

Previous Business Entity (Liquor Licence applicants)

VAT Group Remitter (Applicants who are part of a VAT Group)

In order to complete the application, the applicant will require the Tax Reference Number or Property ID of their relevant connected persons.

The following material is either exempt from or not required to be published under the Freedom of Information Act 2014.

## 5. Purpose of the Tax Clearance Scheme

The purpose of the Tax Clearance scheme is to ensure that persons, who derive an economic benefit from

- a licence or permit to conduct certain activities in the State, or
- receipt of contracts, grants, subsidies and other payments from the State are in compliance with their tax and customs obligations.

## 6. When is Tax Clearance Required?

### 6.1 Renewal of Licences and permits

A tax clearance certificate is required before renewal of a variety of licences. The table at [Appendix 1](#) outlines the legislation that governs the requirement to provide a tax clearance certificate for certain activities.

### 6.2 Public Sector Contracts

A contractor is obliged to produce a tax clearance certificate in order to qualify for a Public Sector Contract with a value of €10,000 or more (inclusive of VAT), within any 12-month period. Such contracts include the purchase, hiring, leasing of goods, services or property by public authorities. Examples of the types of goods/services covered in such contracts are plant hire, consultancies for management, legal or design services, cleaning or security. The tax clearance requirement applies even where the provision of goods or services is not the subject of a formal written contract.

### 6.3 Grant and Subsidy Payments

An applicant for a grant must hold a current tax clearance certificate in order to qualify for State / Public Authority grants, subsidies and similar type payments with a value of €10,000 or more within any 12-month period, including, for example, industrial and farm development grants. Tax clearance is also required to access COVID-19 supports such as the Employment Wage Subsidy Scheme, the Covid Restrictions Support Scheme or the Stay and Spend Scheme.

## 7. Small Public Service Vehicles (SPSVs) or Vehicles Drivers (SPSVDs)

- 7.1 As per the Taxi Regulation (Small Public Service Vehicle) Regulations 2015, the granting or renewal of all taxi licences, (including wheelchair-accessible taxis, hackneys or limousines licences) is conditional on the applicant producing a tax clearance certificate to the licensing local authority with the application.
- 7.2 All applicants for such licences should apply through eTC in ROS or myAccount from the Revenue website.

- 7.3 Holders of existing licences should maintain strict tax and customs compliance at all times to avoid renewal of their licence being refused due to the non-production of a tax clearance certificate.

## 8. Capital Gains Tax Clearance

- 8.1 Section 980 of the Taxes Consolidation Act 1997 applies to assets over €500,000 in value and usually, though not exclusively, arises in the context of land/property sales.
- 8.2 Section 980 obliges the purchaser of certain assets to withhold 15% of the purchase price of that asset and remit it to Revenue as Capital Gains Tax, unless the vendor produces to the person acquiring the asset either
- (a) a CG50A, or
  - (b) where the asset concerned is land on which a new house has been built or is in the course of being built by or on behalf of the person disposing of it which has not been used at any time before its disposal, a CG 50A or a tax clearance certificate under Section 1094 or 1095 or a certificate of authorisation issued under Section 531 of the Taxes Consolidation Act 1997.
- 8.3 Applications for a CG50A – Capital Gains tax clearance certificate must be submitted on a CG50 Form.

## 9. Charities

- 9.1 A charitable body applying for a **Public Sector Contract** must be in possession of a current tax clearance certificate.
- 9.2 Applicants for **Public Sector Grants, Subsidies or similar type payments** holding a Charity (CHY) Number do not require a tax clearance certificate but must quote their CHY Number. A Charity's CHY Number can be viewed by clicking on the attached links:

A list of registered charities is available on Revenue's website:

[Bodies with Charitable Tax Exemption](#)

Applications for **CHY Numbers** are processed by:

**Charities Section,  
Office of the Revenue Commissioners,  
St. Conlon's Road,  
Nenagh,  
Co. Tipperary.**

**Telephone 01 7383680**

**Email through myEnquiries or ROS: [charities@revenue.ie](mailto:charities@revenue.ie)**

## 10. Criminal Justice Legal Aid Panel

- 10.1 Under the Criminal Justice (Legal Aid) (Tax Clearance Certificates) Regulations, 1999, a solicitor who is a PAYE employee and holds a tax clearance certificate is eligible to be considered for the Criminal Justice Legal Aid Panel.
- 10.2 The issue of a tax clearance certificate to such PAYE employees is conditional on the employer's tax and customs affairs being in order - if the employer is a partnership, the partnership must be tax compliant.
- 10.3 The new Criminal Justice Legal Aid Panels start on 1<sup>st</sup> December each year. Solicitors applying for tax clearance for the Criminal Legal Aid Panel should apply through the eTC system.

The following material is either exempt from or not required to be published under the Freedom of Information Act 2014.

## 11. Other Circumstances

Any company / individual can apply for a Tax Clearance Certificate. In a case where the applicant is a company, each person who is either the beneficial owner of, or able directly or indirectly to control, more than 50 per cent of the ordinary share capital of the company must also be tax compliant.

## 12. Non-Residents

12.1 There are 3 Categories of non-resident Applicants:

- (1) Non-resident applicants, registered for Irish tax, **without a** permanent established (PE) place of business in the State can apply for tax clearance using ROS or MyAccount.
- (2) Non-resident applicants, registered for Irish tax **with a** permanent established (PE) place of business in the State can apply for tax clearance using ROS or MyAccount.
- (3) Non-resident applicants who have **neither** an Irish tax registration nor a permanent established (PE) place of business in the State can download the [TC1 application form](#) from the Revenue website or request the form by email to [nonrestaxclearance@revenue.ie](mailto:nonrestaxclearance@revenue.ie).

## 12.2 Additional Information in relation to non-residents

- (i) Where the nature of a contract requires that non-resident applicants with a permanent establishment in the State register for Irish tax purposes, the applicants should contact the relevant [Revenue Office](#).
- (ii) Non-resident applicants applying in connection with an excise licence renewal are normally registered for Income Tax only. Bookmakers who do not have an office in the State but operate in a racecourse in the State are obliged to register for Income Tax.

Further information for non-resident applicants is contained in [Tax Clearance Non-Resident Tax and Duty Manual](#).

## 13. Non e-enabled Applicants

Applicants who do not have access to electronic systems can apply for a Tax clearance Certificate by completing a [TC1 application form](#) which can be obtained from their Revenue Office. Completed forms must be submitted to the relevant [Revenue Office](#) or to Customer Services Unit, Collector-General's Division, Sarsfield House, Francis Street, Limerick.

## 14. Applications for Unregistered Voluntary Bodies

Where a voluntary body has no Tax Registration Number (TRN) it must register with Revenue.

An unincorporated voluntary body can register by

- completing a [registration form for voluntary non-profit making organisations](#)
- sending the form to the [Revenue Office](#) of the voluntary body.

When you receive your TRN, you can apply for a Tax Clearance Certificate using the [electronic Tax Clearance \(eTC\) System](#)

## 15. Standards in Public Office (SIPO) Applications

- 15.1 The Standards in Public Office Act, 2001 introduced a specific **SIPO tax clearance** requirement for members of the Dáil and Seanad, Senior Public Officials and candidates for appointments to the judiciary.

Due to this legal requirement, tax clearance certificates issued under other tax clearance provisions are not valid for the purposes of the Standards in Public Office Act.

Further information is contained in [Tax Clearance SIPO Tax and Duty Manual](#).

## 16. Applying for a tax clearance certificate

- 16.1 Most applications for a tax clearance certificate are made online through ROS or myAccount. Prior to application, applicants will need to know under which Revenue system they can apply under. When applying for tax clearance applicants must have an active tax registration, e.g. be an active PAYE customer, or have an Income Tax, Partnership, Corporation Tax or Investment Undertaking Tax registration. In general, PAYE customers make applications through myAccount, while business customers apply through ROS. Where applicants are already ROS customers, an application for eTax Clearance must be made through ROS. A customer's agent can also apply for tax clearance on a taxpayer's behalf through ROS. For further information on these systems please see [Revenue website](#).
- 16.2 When a ROS or MyAccount customer accesses the Tax Clearance screen and clicks on 'Apply' there will be a facility to 'Review Your Details'. The applicant will then be asked to select the reason why an application is being submitted. The appropriate reason for the tax clearance application should be selected. Selecting 'Licence' or 'Grant' produces an expanded menu to allow an applicant select the particular type of licence or grant. There are certain categories which are applicable to business customers and if a PAYE customer selects a business category e.g. Public Sector Contract, the applicant will be asked to register for Income Tax/Corporation Tax prior to completing the tax clearance application. An applicant proceeds through the screens filling in the relevant information for the application. A summary screen is presented at the end of the application process; the applicant should review all the information provided, tick the box in the declaration and click on 'Submit'.
- 16.3 When the application has been completed and submitted Revenue will electronically assess the application which should only take a few seconds. Where tax affairs are in order the applicant will be presented with an electronic tax clearance certificate on screen. Where tax affairs are not in order, notification will issue that the application has been refused or is under review.

16.4 A confirmation email will also be sent to the applicants' ROS or myEnquiries inbox. Revenue will not be issuing paper tax clearance certificates (exceptions at [1.2](#)) however there is an option to print the screen results if applicants wish to keep a paper copy of the electronic certificate or refusal reasons.

## 17. Tax clearance certificate issued to applicant

Where the applicant's tax affairs are in order the applicant is presented with the following information, Name, Tax Reference Number and a Tax Clearance Access Number. This number along with the applicants' Tax Reference Number can be provided to any third party to verify the applicant's tax clearance status.

The screen below is a result from a ROS application; the myAccount screen will look slightly different but will have all the same information on the screen. By clicking on 'Print' at the bottom left hand side of the screen an applicant can print a copy of the Tax Clearance Application Result screen.

 **Tax Clearance Application Result**

**Tax Clearance Certificate Issued**

We confirm that your tax affairs are in order, and you have been issued with a tax clearance certificate. Confirmation of this has also been sent to your Revenue Record. In order to confirm to a third party that you have a tax clearance certificate, you will need to provide them with your PPSN/tax reference number and the tax clearance access number below.

Applicant Name: **Jane Test**  
Applicant PPSN/Tax Reference Number: xxxxxxxxxx  
Access Number: xxxxxx

Please note that in order to retain your tax clearance certificate you need to continue to keep your tax affairs in order. Revenue will review your tax affairs periodically and will rescind your tax clearance certificate if your tax affairs are not in order at any stage.

## 18. Refusal of a tax clearance certificate

Where an applicant's tax affairs are not in order, the applicant will be notified that the application for a tax clearance certificate has been refused. The reason for refusal is specified. To obtain a tax clearance certificate, the applicant needs to deal with any outstanding issues, e.g. outstanding liabilities and/or return(s). The applicant needs to ensure that any outstanding issues are addressed in the tax affairs of any connected persons. The applicant must resolve all the outstanding issues and then make a further tax clearance application.

The screen below is a result from a ROS application; the myAccount screen will look slightly different but will have all the same information on the screen. By clicking on 'Print' at the bottom left hand side of the screen an applicant can print a copy of the result screen.

Where the refusal reason is showing as '**You have not met the requirements for tax clearance under Section 1094 and/or 1095.**' this means that the tax clearance certificate has been refused by disapproving a work item. The reason for refusal will be listed in the notes on the work item.

## 19. Tax clearance application under Review

In some cases an application may need to be reviewed by Revenue before a decision can be made in relation to granting a tax clearance certificate. An example would be where an applicant is currently in a phased payment agreement. Where this arises, an applicant will be notified that the application is under review. If an applicant wishes to contact Revenue in relation to the application the Tax Reference Number or Application Reference ID should be quoted.

The screen below is a result from a ROS application; the myAccount screen will look slightly different but will have all the same information on the screen. By clicking on 'Print' at the bottom left hand side of the screen the applicant can print a copy of the result screen.

The screenshot displays a web interface for a Tax Clearance Application Result. At the top left is a magnifying glass icon over a document. The main heading is "Tax Clearance Application Result". Below this is a teal banner with the text "Tax Clearance Application Under Review". The main content area contains the following text:

Your application for a Tax Clearance Certificate is **Under Review**.

If your tax affairs and those of all connected parties are fully up-to-date you should get confirmation of tax clearance over the next few days.

If your tax affairs or the tax affairs of any connected parties are not up-to-date your application will be refused. Details of the reason/s for refusal will issue to your ROS Inbox in the coming days.

Applicant Name: Test Forename Test Surname  
 Applicant PPSN/Tax Reference Number: : xxxxxxxxxx

Please note that this is not a Tax Clearance Certificate.

If you wish to contact Revenue in relation to your application, you will need to reference either your PPSN/Tax Reference Number or your Application Reference ID.

At the bottom left is a "Print" button and at the bottom right is a "Close >" button.

Figure 3: Screenshot showing Tax Clearance Application as Under Review

## 20. Rescinding a tax clearance certificate

Applicants are periodically re-assessed in a given year to determine whether their tax affairs are in order. Applicants who are no longer compliant will have their tax clearance certificate rescinded (withdrawn). An applicant receives notification to ROS or myEnquiries inbox that their certificate has been rescinded. This notification will also contain the reasons for the rescission. Where an applicant's tax clearance certificate is rescinded, and the applicant requires tax clearance at a future date, a re-application online will have to be made. A tax clearance certificate will also be rescinded when Revenue has been advised that the taxpayer is deceased, and in such instances no notification of rescission is sent.

## 21. Application for renewal of a tax clearance certificate

Where the tax clearance certificate is required for a grant, Employment Wage Subsidy Scheme, Covid Restrictions Support Scheme or Stay and Spend Scheme, the application must be submitted each year.

In all other cases, the application will remain valid for four years, once an applicant's tax affairs remain in order. After four years, a new application must be submitted.

## 22. Verifying that a person holds a current tax clearance cert

Applicants who are tax compliant receive a Tax Clearance Application Result of Tax Clearance Certificate Issued. On this screen is a Tax Clearance Access Number (TCAN), this number along with the applicant's Tax Reference Number (TRN) can be provided to any third party that wishes to verify the applicant's tax clearance status. Any third party can verify a tax clearance certificate through ROS.

The screenshot displays a web interface titled "Tax Clearance Application Result". At the top left is an icon of a document with a checkmark. Below the title is a teal banner that reads "Tax Clearance Certificate Issued". The main content area contains the following text:

We confirm that your tax affairs are in order, and you have been issued with a tax clearance certificate. Confirmation of this has also been sent to your Revenue Record.

In order to confirm to a third party that you have a tax clearance certificate, you will need to provide them with your PPSN/tax reference number and the tax clearance access number below.

Applicant Name: Jane Test  
 Applicant PPSN/Tax Reference Number: xxxxxxxxxx  
 Access Number: xxxxxx

Please note that in order to retain your tax clearance certificate you need to continue to keep your tax affairs in order. Revenue will review your tax affairs periodically and will rescind your tax clearance certificate if your tax affairs are not in order at any stage.

At the bottom of the screen, there are two buttons: "Print" on the left and "Close >" on the right.

Figure 4: Screenshot showing Tax Clearance Application as Issued

Public Sector Bodies are required by Department of Finance Circulars to verify that suppliers, grant applicants and parties to contracts are tax compliant and have tax clearance.

Revenue provides bulk verification options to facilitate third parties in checking electronic tax clearance. The options are:-

- a webservice available on the Government Networks; and
- an upload/download option available in ROS.

Paper certificates issued to non-registered, non-resident persons can also be verified through ROS or the webservice using the registration number from the paper certificate. This number always begins with 'T'.

## 23. Procedure where applicant contacts Collector-General's Division following refusal

- 23.1 Where an applicant contacts the Collector-General's (CG) Division stating that all returns/payments have been submitted, the Debt Management Unit (DMU) CG Caseworker verifies the information provided by the applicant.
- 23.2 Where a taxpayer has requested payment by offset, the DMU CG Caseworker confirms that the offset is available.

The following material is either exempt from or not required to be published under the Freedom of Information Act 2014.

[...]

## 24. Appeal Procedure when a tax clearance certificate is refused.

- 24.1 In order to be eligible for a hearing by the Tax Appeal Commission (TAC), an applicant wishing to appeal against the refusal of a tax clearance certificate must lodge the appeal application with the Tax Appeals Commission ([www.taxappeals.ie](http://www.taxappeals.ie)) within 30 days of the notification of a refusal. The Notice of Appeal form can be obtained from the [TAC's website](#) and it contains the address to which an appeal is to be sent. You must submit a copy of the refusal with your Notice of Appeal.
- 24.2 The appeal application must
- (i) state the matter or matters with which the applicant is aggrieved,
  - (ii) provide detailed grounds for the appeal in respect of each such matter, and
  - (i) **any amount due, which is not in dispute, must be paid.**
- 24.3 Applicants should be aware that the legislation stipulates that '**no right of appeal shall exist in relation to any amount of tax, Customs duty or interest due under the Acts**'.

The following material is either exempt from or not required to be published under the Freedom of Information Act 2014.

[...]

## 25. Verification by businesses based outside of the state.

Taxpayers may need to have their tax clearance certificate verified by a business based outside of the State. As this business will not have a ROS registration, they will not be able to verify a certificate using the eTC system. In these cases, the Collector-General's Division will issue a covering letter to confirm that a taxpayer has a valid tax clearance certificate. [See Appendix 10 verification letter.](#)
