IREF declarations

Section 739K(1) defines a specified person for the purposes of Chapter 1B. A number of persons are specifically excluded from being specified persons provided that the appropriate declaration form has been provided to the IREF immediately before the IREF taxable event.

The authorised IREF declaration forms are included at the end of this manual for the following unit holders:

- Pension Scheme
- PRSA (including vested PRSA) Administrator
- ARF / AMRF
- UK Superannuation Scheme
- Investment undertaking (or a sub-fund that is a unit holder in another sub-fund of the same umbrella scheme)
- Company carrying on life business
- Charity
- UK Charity
- Credit Union
- Qualifying Company
- Qualifying intermediaries acting on behalf of pension schemes, PRSAs (including vested PRSAs), ARFs, AMRFs, equivalent EU or EEA pension schemes, charities or credit unions.

The happening of an IREF taxable event in the absence of an appropriate declaration triggers a charge to IREF withholding tax, which is only refundable in certain limited circumstances (e.g. DTA relief). As the IREF regime was introduced in Finance Act 2016, Revenue understood that it was likely that it would take a number of weeks or months for IREFs, particularly those with a number of unit holders, to get the appropriate declarations in place. Therefore:

- in respect of IREF taxable events which occurred before 30 June 2017,
- in respect of a unit holder who would not be a specified person if the appropriate declaration was in place and
- where the appropriately completed declaration was in place by 1 July 2017

IREF withholding tax did not need to be applied.

Where an IREF:

- applied the IREF withholding tax to such an IREF taxable event and
- subsequently received the appropriate declaration before 1 July 2017,

then, the IREF may refund any IREF withholding tax to the unit holder.
