1 Deadline for filing, self-assessment and payment

The Pay and File deadline for ROS customers is **17 November 2021**, provided you file the 2020 Form 11 return **and** make the appropriate payment through ROS for:

- preliminary tax for 2021, and
- income tax balance due for 2020.

Where only one of these actions is completed through ROS, the extension does not apply and the required date to submit returns **and** payments is **31 October 2021**. If your tax return is submitted early but preliminary tax was not paid or underpaid, the full liability is due **immediately**.

Note that additional information is included in paragraph 7.5 of this manual about debt warehousing options.

The ROS Pay and File deadline also applies to:

- the deadline for making Retirement Annuity Contract, Personal Retirement Savings Account or Additional Voluntary Contribution payments where tax relief is being claimed for the 2020 tax year. The claim for relief can be made on the 2020 Form 11 (for self-assessed customers) or the online 2020 Form 12 (for PAYE customers). Detailed guidance is in [Pensions manual Appendix 3](#), and
- the deadline for the submission of Form RR1 by high-income earners.

A late return filed after the deadline is subject to surcharge.

2 Preliminary tax - calculation and payment

Preliminary tax is your estimate of the income tax, Universal Social Charge and [Pay Related Social Insurance](#) that you expect to pay for a tax year.

You must pay preliminary tax in respect of 2021 income by 31 October 2021 or 17 November 2021 (if filing and paying on ROS). To avoid interest charges, you must pay an amount of Preliminary Tax that is at least one of the following:

- 90% of the tax due for 2021
- 100% of the tax due for 2020

If you do not pay sufficient Preliminary Tax, the due date for **your full 2021 liability is 31 October 2021**, and not 31 October 2022 which is the deadline for the 2021 return.

For late payments, you will be charged interest for each day (or part of a day) after the deadline.

When completing the Statement of Net Liabilities, it is important for taxpayers and agents to realise that filing a Nil preliminary tax declaration for 2021 means that there is no income tax liability for the 2021 tax year. If a 2021 tax return is filed subsequently declaring a 2021 income tax liability; then the due date for your full 2021 income tax liability is backdated to 31 October 2021.

Additional information on Preliminary Tax is included in Tax and Duty manual (TDM) [Part 41-00-28](#).

3 Capital Gains Tax (CGT)

The dates for paying and filing CGT are based on the date the asset was sold, gifted or transferred. Payment for CGT is due **before** you file your return. A return for capital gains must be filed in the year **after** the date of disposal. You must do this even if no tax is due because of reliefs or allowable losses.

Where CGT is due and has been paid to the Collector-General (on **CGT Payslip A or B**) that payments information will, in most cases, be pre-filled on the return to assist filers. The relevant panels that should be completed on the Form 11 are ‘Capital Gains’ and ‘CGT Self-Assessment’. The presentation of the pre-filled CGT payments information is a prompt to remind filers to complete the ‘Capital Gains’ panel with the necessary, relevant detailed information about the asset disposal, which gave rise to the CGT liability that has been paid. Filers are required to complete a CGT Self-Assessment (as per Figure 1).

Self Assessment - Capital Gains Tax 2020

Under Chapter 4 of Part 41A TCA 1997, every return prepared and delivered for the 2013 year of assessment and subsequent years may include a Self Assessment by the chargeable person to whom the return relates.

You should make this CGT assessment even if you have already paid CGT, for example by using the payslips A and B.

This payment will, where available, be shown below

Self Assessment made under Chapter 4 of Part 41A TCA 1997

	Self-Assessment Column
(i) Amount of chargeable gains arising for this period	€ <input style="width: 80%;" type="text"/>
(ii) Amount of tax chargeable for this period	€ <input style="width: 80%;" type="text"/>
(iii) Amount of tax payable for this period	€ <input style="width: 80%;" type="text"/>
<i>The amount of tax payable is the amount of tax due after Retirement Relief or Credit for Foreign Tax paid has been deducted from tax chargeable. If neither relief was claimed the amount of tax payable is the same as the amount of tax chargeable.</i>	
(iv) Amount of any surcharge due under S. 1084 TCA 1997 because of	
• late filing of this return, or	€ <input style="width: 80%;" type="text"/>
• non-compliance with your LPT requirements	€ <input style="width: 80%;" type="text"/>

(vi)(b) Balance of Tax Overpaid for this period	€ <input style="width: 80%;" type="text"/>

I declare the above to be my Self Assessment to Capital Gains Tax for the year 2020

Figure 1: CGT Self Assessment panel

Filers should be aware that line

'(iii) Amount of tax payable for this period' is the amount of the CGT liability calculated, **even where that has already been paid to the Collector General**. The capital gains information included on the Form 11 return provides the necessary detail to explain the calculation of the CGT payslip information (which has generally been paid the previous year when the asset was disposed). Some filers mistakenly enter a 'zero' in this field because the CGT has been paid and no additional payment is due. However, for the CGT self-assessment a calculation of CGT payable is required; even where the CGT due has been paid to the Collector General because the payment deadline is in advance of the return filing deadline.

'(v) Amount of tax paid directly to the Collector General for this period' is prefilled from the CGT Payslip A or B information.

Line items **(vi)(a) or (vi)(b) reflect any Balance of CGT due or overpaid**. In most cases, where CGT was correctly calculated and paid on time to the Collector General when the asset was disposed of, there is a zero balance. Where no additional CGT is due, line (vi)(a) should be 'zero'

4 Capital Acquisitions Tax (IT 38)

For beneficiaries who received gifts or inheritances with valuation dates in the year ended 31 August 2021, the deadline for your Capital Acquisitions Tax (IT38) online return and online payment is **17 November 2021**. Otherwise the 31 October 2021 deadline applies.

The IT 38 can be filed and any liability due can be paid online through ROS or myAccount. Agents and advisors can complete the IT38 online if linked to that client for CAT.

If using ROS, we recommend that you complete the IT38 form using the ROS Offline Application and upload the saved file online. The online version of the form does not save to Work in Progress and it may time out before you have entered all the details. Agents/advisors can use the offline option with or without a client link.

You can pay CAT for yourself or on behalf of a beneficiary using the following methods.

If you are a ROS customer, you can pay by:

- ROS Debit Instruction (RDI) at the time of filing if this is set up in advance
- Single Debit Instruction (SDI)
- Credit or Debit Card.

Customers not registered for ROS can make a payment through **myAccount**.

CAT (IT38) may be filed using a TAIN certificate in three ways:

1. complete IT38 form using the ROS Offline application and upload the resulting file on the Client Services screen;
2. complete the IT38 form online on the Client Services screen;
3. complete IT38 form using the ROS Offline application and upload the resulting file on the Agent Services screen.

The payment options available for TAIN certs depend on which filing option is chosen and whether the payment request is submitted at the time of filing.

The full range of payment options are only available for options 1 and 2 above. To use options 1 and 2 above, it is necessary for the TAIN to have an active Agent Link to the beneficiary for CAT.

Once the link is active, the TAIN will have access to file IT38 returns online or by file upload on the Client Services screen for that client. Access to add a ROS Debit Instruction (RDI) for CAT will also be available.

For option 3 above, no Agent Link is required but payment options are reduced. Further information is available on our [website](#).

5 PAYE tax return (Form 12) deadline

PAYE customers who are required to file an income tax return (Form 12) for 2020 and who opt to file online¹, can avail of the extended deadline for ROS Pay and File returns. Otherwise the deadline is 31 October 2021.

6 Tips in accessing and using ROS

6.1 Digital Certificate

You should log onto ROS now to ensure that you can access ROS successfully. This will give you time to resolve any password or login issues before the filing deadline. If you have problems logging into ROS, click on the [ROS Help](#) link for the ROS Help Centre.

6.2 ROS Certificate renewal

If you are prompted to renew your ROS digital certificate at login, please do so and ensure that you **Backup** and **Save** the new certificate file on your computer. [Video](#) help showing how to backup and save your certificate is available.

6.3 Issues accessing ROS

If you experience issues when attempting to login to ROS. Please access the ROS Help information on our website which includes information to assist you with login error

<https://www.revenue.ie/en/online-services/support/ros-help/something-is-not-working/issues-logging-into-ros/index.aspx>.

Further information can be found on [ROS Help](#) about common issues that can arise and how to resolve them.

6.4 ROS Registration

If you are a first-time filer or a new ROS user, please register for ROS as soon as possible. You should allow at least one week to complete the ROS registration process by post.

The ROS registration process includes security questions that allow you use the 'Reset ROS Login' function if you need a replacement digital certificate quickly; if your certificate is lost or you forget your password. Additional information is available from the [ROS Help](#) link on the ROS login screen.

¹ In the "Review your tax" option in PAYE Services in myAccount.

If you are registered for myAccount, it is possible to access a faster "Register for ROS" option. This is for **new** ROS customers and is on the "Manage My Record" card in myAccount. To register for ROS, you must be registered for a relevant taxhead. You can register a new taxhead on the same "Manage My Record" card in myAccount. Please allow two working days for the taxhead registration to process before registering for ROS.

Please note that although some services are available in both myAccount and ROS, **the Form 11 may only be filed through ROS.**

6.5 Client List

Agents or Advisors can register their clients for income tax, CAT or PAYE taxheads using the eRegistration service on ROS. A link is available on the Agents' Services home screen.

Agents/Advisors must be linked to their clients before submission of the return; it may take up to 2-3 working days for the agent/client link to be recorded on the eRegistration system. Agents who require access to PAYE details must be linked to their client and have submitted the relevant client authorisation letters for **both** the Income Tax and PAYE taxheads.

Please remember that a return will not be accepted through ROS if the client is not linked to the agent submitting the return. An exception for CAT filing is noted in option 3 of paragraph 4.

7 Tips for ROS payments and refunds

7.1 Payments in ROS

All ROS Debit Instructions (RDIs) should be in place in advance of due payment dates. Please ensure that RDIs are set up with a bank that is in the Single European Payment Area (SEPA). You can check this with your bank before setting up the RDI. The RDI should be set up with a Euro current account.

7.1.1 Processing payment instructions in peak filing period

During the peak Pay and File processing period there is generally a short delay in the batch processing of banking instructions; reflecting the time needed for payments to be transferred from banks to Revenue, and to be updated to the individual customer records.

The **Letter of Acknowledgment of Self-assessment** is produced more quickly, before the payment instructions have been processed, and will generally show a tax balance due to Revenue. The Letter of Acknowledgement includes a message (per Figure 2) to advise customers that the balance shown may not include payment instructions that are being processed by a bank. When payment instructions are processed, customers' balances are updated, **and receipts are issued.**

Customers and agents are reminded to be aware of the short delay in batch payment processing during the peak period, and that the balance due on customers' records can be viewed in ROS on the Revenue Record screen.

Figure 2: Letter of Acknowledgment of Self-assessment with warning about payment processing delays

7.1.2 Payments by debit and credit cards

If paying by Debit Card, Credit Card or Online Banking, please note that banks may have monetary thresholds and daily limits, and transactions may be rejected.

The option to pay by Credit/Debit card is only available to Business Division or Personal Division customers. It is not available to customers of Large Corporates Division, Medium Enterprises Division and Large Cases - High Wealth Individuals' Division.

Debit and Credit card transactions are processed immediately (which may be earlier than the ROS extended payment date).

7.2 Electronic Funds Transfer (EFT)

Since 1 October 2019, only a very limited number of customers (such as taxpayers who have been granted an exemption from mandatory e-filing) will be able to use the EFT option to pay their taxes. All other customers are required to make payments online via ROS or myAccount and should make the necessary payment arrangements in advance of the filing deadline.

7.3 Refunds in ROS

For mandatory e-filers, cheques will not issue for refunds of Income Tax. To receive your Income Tax refund, you need to ensure that your bank account details are recorded on ROS and are up to date. Please login to ROS and on the 'My Services' page go to 'Manage Bank Accounts' and select 'Manage EFT' in the Refunds section.

Please note that if you are registered for other taxes e.g. PAYE, VAT, etc. you need to ensure that bank account details are entered separately for each specific tax.

Please note that if your spouse or civil partner is due a refund, their bank details will also need to be on Revenue's record and may need to be submitted to Revenue through MyEnquiries. The refund will be held until the bank details are updated.

7.4 Payments in myAccount if not ROS registered

If you do not have an active ROS digital certificate and your Agent is filing a return on your behalf, you can pay your Income Tax and Capital Acquisitions Tax online through myAccount, on the 'Payments/Repayments' card. You can register for myAccount or ROS at www.revenue.ie.

7.5 Debt Warehousing

When filing the Form 11, customers complete a Statement of Net Liabilities (SNL) to confirm the balancing payment due for 2020 and the amount of preliminary tax due for 2021.

When completing the SNL, customers may opt to warehouse their 2020 balancing payment and the 2021 preliminary tax amount.

There is a tickbox in the online version of SNL for taxpayers who wish to warehouse their outstanding liabilities (as per Figure 3 overleaf in Paragraph 7.6).

Filers using the ROS Offline are not presented with the tickbox at this stage. However, filers should continue to complete the SNL and upload it. As the offline SNL is uploaded, filers should be presented with an additional screen with the tickboxes for Debt Warehousing (as per Figure 7 overleaf in Paragraph 7.6).

7.5.1 Debt Warehousing – Proprietary Directors / employees with material interest

If an employer is availing of debt warehousing for PAYE (employer) liabilities, a proprietary director/ employee with a material interest cannot claim credit for PAYE deducted if the tax has been warehoused and not paid. A "proprietary director" for these purposes is someone who owns or controls, directly or indirectly, more than 15% of the ordinary share capital of the company (as per section 997A TCA 1997). Debt warehousing may be available as outlined below.

(i) Income tax debt warehousing (where the 25% reduction of income is satisfied)

If a proprietary director / employee with a material interest is eligible for income tax debt warehousing, she or he can warehouse all liabilities including any Schedule E liabilities. Eligibility means that the director / employee has suffered a minimum 25% reduction in their income compared to 2019 due to COVID-19 related restrictions.

(ii) Debt warehousing for Schedule E (PAYE) liability only (where the 25% reduction of income is not satisfied)

The Minister for Finance announced in Budget 2022 that proprietary directors/employees with a material interest would be allowed to warehouse their Schedule E (PAYE) liabilities where the criteria outlined below are satisfied (this is subject to the enactment of the Finance Bill).

Where

- (a) a director / employee has a "material interest" in the company that pays their emoluments,
- (b) the company is warehousing its PAYE (employer) liabilities,
- (c) the director / employee is not entitled to a credit for the tax deducted due to restrictions under section 997A, and
- (d) the director/employee does not satisfy the 25% reduction of income threshold to avail of income tax debt warehousing,

a director / employee may avail of debt warehousing for their Schedule E (PAYE) liability **only** (the non-Schedule E liability must be paid when filing the income tax return). A director / employee who satisfies the above requirements may tick the relevant declaration to avail of debt warehousing for their Schedule E liability (only). Figure 3 in paragraph 7.6 shows the updated screen.

There is further information on debt warehousing on the [website](#).

7.5.2 Letter of Acknowledgement not updated for Debt Warehousing

Customers/agents should note that the payment legend on the Letter of Acknowledgement (as per Figure 2 above) has not been updated to reflect that tax liabilities are included in either debt warehousing or phased payment arrangements. If there is a 'Balance of Tax Payable for this period', the legend on the Letter of Acknowledgement will state that the amount should be paid 'immediately', once the filing deadline of 31 October 2021 has passed.

7.6 Statement of Net Liabilities (SNL) Offsetting Refunds

The SNL should be completed when the Form 11 is being filed. If the submission of a Form 11 return generates a refund and you want this refund offset against your preliminary tax or Capital Gains Tax liabilities, you must indicate this in the SNL (Pay & File) screen in ROS.

The SNL and the Form 11 should be filed on the same day, and it is advisable not to 'omit' the SNL.

Further details on the 2020 Form 11 are also available in the TDM [Part 38-01-04E](#). Filers must include a self-assessment of the tax payable when making a return. ROS will automatically provide this calculation for you and display a template of your self-assessment.

8.1 Pre-Populated Form 11

If you have filed a 2019 return you will have the option to complete an online or offline pre-populated 2020 Form 11 return.

The information from the 2019 Form 11 return can be used to 'populate' parts of the 2020 Form 11. Where the information has not changed you do not need to update anything (but you must check and review any panel with pre-populated information). Where the figures are **different** in 2020, you **must** enter the correct 2020 information. Additional information about the pre-populated information in the 2020 Form 11 is available in the TDM [Part 38-01-04E - 2020 ROS Form 11](#) on the 2020 ROS Form 11 .

8.2 ROS Online

You can select 'Complete a Form Online' from the "My Services" screen on ROS, select 'Income Tax' as tax type, 'Form 11' as return type, and click 'File Return'. Select 'New' to start a return, or 'Edit' to retrieve a saved version already started.

A [video](#) on how to open an online pre-populated Form 11 is available in the [Self-assessment and self-employment/Filing your tax return](#) section.

8.3 ROS Offline Application

While it is easier and more convenient to use the ROS Online pre-populated form, if you wish to use the ROS Offline Application to prepare your Form 11 please ensure that you have the latest version of both the (i) Offline Application, and (ii) the Form installed. The ROS Offline Application can be downloaded from www.revenue.ie by clicking on 'Online services' and 'Mobile and offline applications'.

You can download a pre-populated Form 11 from "Other Services" on the "My Services/Client Services" screen on ROS. Click on the "Download Pre-populated Returns" tab on the left side of the screen.

The ROS offline form has been changed to allow you to save the form without completing or updating the income tax self-assessment panel. This change was made in response to feedback to enable customers and agents to make ongoing updates to offline returns (work-in-progress), without needing to update the self-assessment after each update.

Filers should note that it is **not** possible to upload the offline form if the IT self-assessment is

- not completed, or
- incorrect; that is where columns A and B differ, but the customer has indicated that they agree with Revenue's figures.

You will receive the following error message.

Warning: You must complete the IT Self-Assessment panel before submitting this return.

8.4 MAC OS X

Please note that the ROS Offline Application is a 32-bit application. It will not run on MAC OS Mojave 10.14 and above.

8.5 Personal Details Panel - Basis of Assessment

When completing the Form 11 please remember to select the correct basis of assessment at the outset. This will ensure the correct version of the form is presented to you for completion. Changing the basis of assessment subsequently will result in the information already entered up to that point being cleared from the draft return. A warning message will appear to advise you about this.

If you are using a pre-populated form, you may wish to print or otherwise copy the prefilled information before changing the basis of assessment.

8.6 Personal Details Panel – Spouse’s/Civil Partner’s PPSN

When completing the Personal Details panel, the spouse’s or civil partner’s PPSN must be entered if the spouse or civil partner is an Irish resident. Please ensure that the spouse’s or civil partner’s **correct** PPSN is entered in the required field. The PPSN input is used to update Revenue’s customer record and it is important that the correct PPSN is returned on the Form 11.

8.7 PAYE/BIK/Pensions panels - PAYE income details and DSP Payments

If you select a pre-populated Form 11, details of your employment and pension income will be shown in the ‘PAYE/BIK/Pensions (1)’ panel. All you need to do is check that the figures are correct and select the source of the income from the drop-down menu. A table of employments has been added to the screen to assist in the navigation between employments.

If you have already received a PAYE refund for 2020 those details will appear in the correct field in your form. If you kept track of your medical expenses using the ‘Revenue Receipts Tracker’, that information will be included in the correct field in your form on the Personal Tax Credit panel.

Income from the Department of Social Protection will appear in a table in the ‘PAYE/BIK/Pensions (2)’ panel. You must transfer the correct amount from this table into the relevant field in your Form 11.

8.8 Other pre-populated information

Where relevant and available, information on

- 2020 scheme payments from the Department of Agriculture, Food and the Marine,
- taxpayer registration with the Residential Tenancies Board,
- payment information received under the Housing Assistance Programme (HAP)
- CGT payments made to the Collector-General
- Relevant Contract Tax (RCT) payments, or
- Home Renovation Incentive (HRI) claims or Stay and Spend claims where information has been uploaded on the Receipts Tracker,

will be shown in an information table on the relevant panel. To complete your return, the correct amounts must be entered in the correct field in the Form 11.

8.9 Videos on Revenue website to help filers complete the Form 11

Based on the most common queries to our customer helplines, we have developed a number of informational videos to help you complete the various panels of the tax return. The content of the videos on this page is up to date even though they refer to the Form 11 2018.

8.10 Relevant Contracts Tax (RCT)

Customers registered for eRCT as Subcontractors or Principal/Subcontractors should note that the Statement of Net Liability (Pay and File) screen in ROS will display the amount of RCT credit available for 2020 for offset against either the balance of tax for 2020 or against 2021 Preliminary Tax. The RCT credit is displayed for information purposes only.

The amount of RCT credit for 2020 will be automatically offset against any outstanding 2020 Income Tax liability. Any credit remaining after the 2020 Form 11 has been filed and the tax paid, will be refunded to the customer.

Customers have the option whether to offset 2021 RCT credit against their 2021 Preliminary Tax liability; or they can use the normal payment facilities to pay all or part of the preliminary tax due. In that case the RCT credits will only be used against any remaining balance. The facility to file a Statement of Net Liability without payment and to file a return without a Statement of Net Liability is still available.

8.11 Local Property Tax (LPT) Compliance

A surcharge of 10% is applied to the final tax liability due on the Form 11 return if you

- did not submit your LPT return, or
- did not pay the LPT due or have not entered into an agreed payment arrangement

before the filing/payment deadline (17 November 2021).

When making your self-assessment you must specify if the LPT surcharge is to be added (or enter **0** if you are LPT compliant and no surcharge is due).

Where the LPT position is subsequently brought up to date, the amount of the surcharge will be capped at the amount of the LPT liability.
