Q.1 What are your views on the proposal to introduce real-time reporting for B2B and B2G transactions?

It may take some time to get used to as some people may find it difficult but would probably make things easier in the long run

Q.2 What matters should be considered in planning for a transition to a new VAT Reporting system?

Give time for transition, over a period of time, or maybe an option to keep doing it the way it is

Q.3 If your business is currently subject to a VAT reporting programme in another EU or non-EU country, can you please share best practice, recommendations or lessons learnt?

No

Q.4 Have you any observations, concerns or recommendations on a move to mandatory electronic invoicing for B2B & B2G domestic VAT transactions?

Maybe a programme of instruction on how to do correctly

Q.5 Revenue is particularly interested in hearing views from businesses that are already engaged in eInvoicing Public Bodies within Ireland or engaged in B2B eInvoicing throughout Europe and beyond. How did you prepare and what challenges prevailed in your preparations for eInvoicing?

Not engaged in E invoicing

Q.6 What suggestions would you offer in Ireland's arrangements for a mandatory B2B and B2G eInvoicing programme?

Training

Q.7 Revenue are cognisant that small businesses may have different perspectives and requirements to large businesses, so what information prompts would you find useful for businesses in completing the VAT return?

Not too sure as currently only operating very small business as full time PAYE worker also and not too much extra time
